

**XOTIK FRUJUS PVT.  
LTD. (XFPL)**

# **EXCLUSIVE CONTRACT PACKER MODULE**

ECP Module v.01

**OVERVIEW**

**TRANSPORTATION**

**PAYMENT TERMS**

**CONTRACT PACKING COMMERCIALS**

**INFRASTRUCTURAL REQUIREMENTS**

**MANPOWER REQUIREMENTS**

**STEPS TO BECOME AN XFPL ECP**

## OVERVIEW

- The ECP will manufacture only XFPL products.
- The ECP's setup will have to be as per the guidelines of XFPL's technical team.
- The ECP will initially have infrastructure to manufacture 100 Bottles Per Minute.
- The ECP will be 100% dedicated to XFPL's business, in terms of time and effort.
- It will be the ECP's responsibility to procure licenses, and to ensure statutory compliances and GMPs (Good Manufacturing Practices).
- The ECP must have FSSAI certification, and other licenses that are specific to the location of the plant.
- XFPL will appoint 1 Quality Control officer per shift, to supervise the ECP's operations. The ECP will ensure compliance of the guidelines given by the QC officer.
- XFPL will also have a Quality Audit done by their technical team, on monthly basis. The ECP will make the recommended changes at their own cost.

## TRANSPORTATION

- The transporter will carry the invoice raised by XFPL, to their consignee.
- XFPL will mail such invoices to the ECP and he will print the same and handover to the transporter.

## PAYMENT TERMS

- The ECP will submit their invoice for contract packing charges to XFPL on fortnightly basis.
- XFPL will ensure payments against all invoices raised by the ECP, within the next 15 days.

## INFRASTRUCTURAL REQUIREMENTS

### PLANT & MACHINERY:

- Reverse Osmosis plant
- Softener
- Filling line
- Processing line
- Blow moulding machine
- CIP facility
- Sugar melting machine

- Effluent Treatment Plant
- Utilities like boiler, chiller, compressors, air drying unit, and cooling tower
- CO<sub>2</sub> dispensing units
- Repairs and Maintenance tools
- Chemical & Microbiological testing equipments
- Cartoning machine
- Forklifts & Stackers
- Conveyors
- Carbonator, etc.

### **APPROXIMATE INVESTMENT:**

- Rs.9,00,00,000\*\* (Rupees Nine Crores), excluding land/building and taxes.  
\*\* May differ as per local conditions

### **ELECTRICITY/POWER REQUIREMENT:**

- 500 KVA

### **LICENSES & PERMISSIONS**

### **GROUND WATER**

### **WORKING CAPITAL:**

- Rs.1,00,00,000

### **MANPOWER REQUIREMENT (PER SHIFT)**

- Skilled: 11
- Unskilled: 30
- Supervisors: 04
- Managers: 03
- Technicians: 03

## STEPS TO BECOME AN XFPL ECP
